

Gold And Silver Shuttle Ring

600 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Length : 3 cm

Width : 1,2 cm

Diameter : 1,8 cm

Description

We present this pretty gold and silver navette ring decorated with sapphires and diamond chips. The part supporting the stones is in gold (nine carats) and the ring is in vermeil (gilded silver). This ring is beautiful, in good condition, note a lack of a diamond chip. Size of the ring see photos. Free shipping for France (E24)
