Description

This late Victorian period tall tiger bamboo magazine rack is a testament to the craftsmanship and charm of the era. Adorned with its original hand-painted side panels, the piece features delicate floral scenery that effortlessly combines artistry and functionality. The rack offers four solid bamboo divisions, each framed by turned uprights topped with decorative brass finials. Its rich, warm patina and untouched originality enhance its appeal, making it a standout piece of late 19th-century furniture. With its elegant design and practical size, this magazine rack is perfect for any room, serving as both a decorative accent and a functional storage solution. Its timeless style ensures it will remain a treasured addition to any home.
