Description

Superb and rare Sicilian Trumeau painted with flowers and landscapes - Palermo Louis XV -
This elegant Sicilian Trumeau follows the Venetian typologies of painted Louis XV furniture, sharpening its fantasy and colorism. The lattice that delicately envelops our Trumeau is unusual in Venice, and seems to protect the precious piece of furniture as if it were a mesh. An artifact of these proportions and delicacy of decorations was a distinctive sign among the rich families of the 18th century nobility in the Bourbon kingdom. Original bottoms, handles and locks, with period key. Great collector's item.
