Description

This mirror frame is of beautiful quality and careful workmanship. At each corner, an engraved floral arrangement surrounds the oval view for the photo, its back is in cherry wood and its rear foot fits into the back thanks to a very clever cabinetmaking system. To place the photo, you have to unscrew the four glass rosettes from the four corners and everything comes apart. Circa 1900. Dimensions of the oval 9.7 x 7.1 cm
