Description

René Aubert (1894-1977): "La trottinette neuve", oil on canvas 132 X 97 cm, mounted in its original Louis XIII style gilded frame 144 X 110 cm. A very small restoration on the back not visible from the front. Circa 1930. The artist, a regular exhibitor of French Artists, but also a legal illustrator, was also a drawing teacher and then director of the Beaux-Arts in Versailles. We can guess that this young boy portrayed in the gardens of Versailles will not keep the immaculate white of his outfit for very long! Do not hesitate to ask us for photos or additional information by email or telephone. Other photos and many other objects in our shops in Pau and Biarritz and on our website: galerielhoste.com.
