Pair Of Louis XVI Period Gilt Bronze Candlesticks

5 500 EUR

Period : 18th century

Condition : Parfait état

Material : Bronze

Diameter : 14 cm

Height : 27,5 cm

Description

Pair of Louis XVI period candlesticks in gilded bronze with matt and shiny gold. The baluster shaft with wide rudentée fluting topped with a ring supports the socket in the shape of an antique vase. It rests on an octagonal terrace and a circular base. The whole is richly decorated with friezes of foliage and finely chiseled pearls. The gilding is in perfect condition.
