

Mobile Bronze Sculpture With Religious Connotations Suggesting A Stained Glass Window

250 EUR

Period : 20th century

Condition : Parfait état

Material : Bronze

Width : 13.5 cm

Height : 17 cm

Description

Beautiful evocation of church stained glass for this mobile work whose upper part suggests the ogive which rests in a "suspended" manner and turns by a point on what could be a part of a stained glass window with the openwork circles. The whole is in grained bronze and offers a raw effect in a beautiful harmony. Circa 1970
