Foliage Chandelier In Painted Iron And Porcelain Flowers

850 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 0,45

Height : 0,65

Description

Leafy chandelier in green painted iron with polychrome porcelain flowers. It has 6 branches each ending with a flower-shaped bobeche in pink painted wood. The branches are twisted and striated in the shape of branches with green leaves, each ending with a drop-shaped amethyst-colored pendant. In the Meissen style of the 18th century.
