

Design Pierre Chapo Buffet Elm R.18.a Circa 1970.

8 700 EUR

Signature : Chapo Pierre

Period : 20th century

Condition : Très bon état

Material : Solid wood

Length : 118 cm

Height : 122 cm

Depth : 48

Description

Designed in 1965, the R18 sideboard is incredibly functional, linked to a specific manufacturing concept dear to Chapo, assembly by visible tenons and mortises, two doors opening with wooden handles with a beveled and original profile, and in the center a contrasting cube for locking. The base integrates 5 drawers of varying heights. The wood is solid elm, characterized by a beautiful veining in blond tones. Furniture in very good condition.
