

Remarkable Quartz Intaglio Seal Duke Of Ormonde England 17th Century

700 EUR

Period : 17th century

Condition : Très bon état

Material : Semi precious stone

Description

Remarkable English seal intaglio in quartz 17th century lost by the 1st or 2nd Duke of Ormonde James Buttler near Provins and found in the ground in the same place. Why there? Mystery to be solved! (the son died in Avignon, it was the old southern road ...) very beautiful improbable piece! not to be missed!
