

Pair - Embossed Victorian Collages

590 EUR

Period : 19th century

Condition : Bon état

Material : Paper

Width : 52.5

Height : 60.5

Description

This exquisite pair of unusual Victorian raised embossed collage pictures show a series of ladies in an elegant dress, adorned in sparkling jewels. Posed in nature and surrounded by flowers, the figures are shown to be alluring and beautiful. In the second piece, a male figure peers from behind a tree as the women sit nonchalantly without taking notice. These elegant pieces have black backgrounds contrasted with the pale figures to make them all the more eye-catching.
