Description

18 K Gold (750/1000), Platinum and Old Cut
Diamonds Antique Dormeuses Earrings, circa
1900.

A beautiful and rare pair of all-diamond sleeper
antique earrings. These 18ct rose gold earrings
are each set with a fine old-cut diamond weighing
approx. 0.55 carat and a smaller one above. The
closing system is a classic of the period, and a
little safety click can be heard when the earrings
are closed. They fit perfectly, just under the
earlobe.
