Description

dormant displays since the years 58-65 they looked great in the window of the travel agency ... We hung enticing chromos, endless beaches, propeller planes, smiling hostesses, then we can use them as in my photos to present a collection (posters, vinyls, handkerchiefs or any other things. They will be delighted to receive a little polish to get back into service. There are 9 of them, consider hand delivery or by carrier, amount to be defined.
