Description

Emerald Ring 2.73 Carats Diamonds 0.20 Carats 18 Carat Yellow Gold This stunning 18 carat white gold ring is a true celebration of elegance and jewelry expertise. The piece features a magnificent 2.23 carat oval-cut emerald of a vibrant and luminous green that instantly captures the eye with its natural and timeless beauty. Enhancing this central stone, 22 pear-cut diamonds totaling 0.20 carats enhance the setting with their delicate sparkle, adding a touch of sophistication and refinement. Their elegant positioning harmoniously frames the emerald, creating a perfect balance between color and brilliance. The ring weighs 3.96 grams of gold, ensuring a strong and durable setting while offering optimal comfort for everyday wear or special occasions. With a total weight of 5 grams,
