

Orientalist Terracotta

850 EUR

Signature : A définir trace de signature

Period : 20th century

Condition : Très bon état

Material : Terracotta

Width : 22x20

Height : 28

Description

Very beautiful terracotta representing a Tuareg in a seated position. Great finesse in the composition! Beautiful quality and color of this sculpture! Trace of signature on the back on the base? Probably from a good artist's hand given the rendering of this work! Visually magnificent! Quite heavy and of good stability! Dimensions of 28 cm in height by 22 cm on the side and 20 cm wide for the front.
