

Large 1830 Silver Plated Metal Soup Tureen

220 EUR

Period : 19th century

Condition : Bon état

Material : Silver metal

Width : 37 (poignées comprises)

Diameter : 27 cm

Height : 30 cm

Description

Beautiful and large soup tureen on pedestal in silver plated metal circa 1830. Note the presence of pretty repeated friezes on the edges as well as on the pedestal. Some wear, because the silvering seems original, as well as very small shocks (visible in photos) Good general condition, very clean inside and very decorative both as a centerpiece and on a buffet.
