

Gouache "peasant Scene" From The Late 18th Century

640 EUR

Period : 19th century

Condition : Bon état

Material : Gouache

Width : 57 cm

Height : 48,5 cm

Description

Beautiful gouache representing a countryside landscape animated by characters.

We see two women near a well washing clothes, and a man who takes care of a horse.

The colors are beautiful and fresh.

All presenting an old cadre.

Very good general condition.

Window dimensions: 50x42 cm
