Description

Francesco Lo Jacono - 'In the painter's studio'.  
Rare still life executed by LoJacono during his  
Florentine period. A chair on the left supports his  
raffia hat and on the back, three colored silk  
scarves seem to want to show how much the  
painter misses the mild climate of his Palermo.  
On the right, notebooks and sketchbooks... An  
undeniable great mastery encapsulated in a small  
painting.
