oak.
We can supply some fir on request,
but Champagne and Burgundy are the regions
where we find the most beautiful French oaks.
Why not take advantage of it!
The strongest, the most resistant to temperature differences
and above all, it is not affected by weevils, woodworms or capricorns. Its high tannin content repels wood-eating insects.

We sell our structural and ceiling timbers by the m3 depending on the size of the desired rooms.
