Condition : En l'etat

Description

Despite an unfortunate condition, here is a beautiful, elegant item. It is a brush rinser in smoked rock crystal, cut and polished. A round receptacle rests on 3 small rounded flat feet, carved on the edge, in high relief and openworked parts of a dormouse decoration in the vine branches. Good finesse of details, beautiful animal and well-made grape and foliage, antique and genuine item!

Unfortunately in very poor condition, many broken parts, well mentioned on my detailed photos, thank you for looking at them carefully, I am not hiding anything!

Chinese working, dating from the second part of the 19th century, or very early 20th century, Circa 1900.

Dimensions: H 4cm x 13cm (as is).
