Pair Of Sterling Silver Electrified Candelabras

3 500 EUR

Period : 20th century

Condition : Très bon état

Material : Sterling silver

Description

This exquisite pair of sterling silver (925) candelabras exude elegance and craftsmanship. Each candelabra is carefully crafted with five arms, each holding one light, providing a perfect balance between functionality and artistic beauty. Electrification enhances their practicality, making them ideal for both ambient and functional lighting. The intricate detailing on the arms, base and central stem showcases the remarkable skill of the silversmiths, with ornate designs that blend classic aesthetics with timeless sophistication. Their substantial size, measuring 45cm in height and 30cm in diameter, allows them to make a striking statement in any setting, whether as the centrepiece of a grand dining table, a mantelpiece or a formal living room. The candelabras are in excellent condition, demonstrating meticulous
