### Description

This snuffbox is made of silver, probably with gold in the central part and probably vermeil inside the lid. It is engraved, richly decorated. It opens, it is usable. It weighs 51 grams. There are three hallmarks including a Minerva, the other two are to be identified. For the condition, note scratches, white marks. We report that it is dented in various places, a deformation at the lid, missing parts on the top of the lid (black thread). Our numerous photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
