Description

A real curiosity that this price advertisement on the back of the presentation of models in oval medallion of works in hairx of the Napoleon III period In its original frame in molded baguette lacquered black edged with gilded frame: price list on the back with presentation of its medals in the competition and prices according to the order with a possibility of costing the shipment.

Presentation of 8 oval medallions of beautiful size and a smaller variant at the bottom, a realistic lithograph on a sepia background with realistic imitation of the different possible models very fine with trompe l'oeil of relief; patterns according to the order. Very interesting fashion of the hair medallion: to remember a missing or distant person or a chapter of youth ... Composed with finesse these small Works of order could be
