### Description

This 19th century altar, of very fine workmanship, is a Masonic altar, we find the Masonic symbols there. Some small elements, like the candles, are in marble, the rest is in wood. It is sold unprepared, unrestored, it will be necessary to plan for re-gluing, note small lacks in places. This altar remains however in a generally presentable state. Our photos allow you to appreciate the quality of this altar. For the state, please detail the photos. Do not hesitate to zoom. The photos are an integral part of the description.
