Description

Vintage lamp from the 20th century, 60s and 70s, representing an Egyptian pharaoh mask mounted on a plexiglass plate and a gilded brass support. Very original, very decorative lamp reminiscent of the creations of the Jansen house around the 60s. Note the very soft light diffused by this light fixture, still equipped with its original lampshade with a gilded interior. Good size, height 45 cm at the top of the lampshade. Very good original electrical working condition. Can be sent to France and around the world by secure and insured package with order tracking. Invoice and certificate provided.
