Description

Pewter fountain with moving shapes, with its cover with acorn grip. The tank is on a walnut support with a molded and scalloped shape. The circular built-in basin after its former use as a hand wash basin has more recently been used as a plant pot. Everything is in good used condition, the rotating closing system of the bronze swan neck tap is missing. **POSSIBILITY OF SHIPPING**, careful reinforced packaging, by registered mail with signature, insurance and tracking on the internet by its number (shipping costs).
