Description

Beautiful presentation of 13 plaster cameos, old intaglio casts. Italian work, souvenir of the Grand Tour. The cameos are arranged on a red silk velvet background, each with its fine gold cardboard surround. One cameo has small gaps on the edge, otherwise the others are in perfect condition. The presentation is beautifully made and the velvet is very clean, dating I think from the beginning of the 20th century. Dimensions: 38cm by 26cm.
