Description

Here is a very pretty office stationery box in Thuya wood. It comes to us from Essaouira (the former Mogador), a Moroccan city, a fortified fishing port on the Atlantic. A strong corporation of craftsmen is specialized and renowned for working with this magnificent and fragrant wood. It is composed of four compartments. It measures: 17 cm in height, 12 cm in depth and 29.5 cm in length (my ref: 71).
