Description

Large Napoleon III period planter in Louis XIII high period style in solid brass. Very good condition for this large piece, length 55 cm, rare on the market. Note the very beautiful floral work in relief and the openwork parts giving this object all its originality. Very beautiful work also of the two lion heads made of gips on each side. It should also be noted the presence of the iron tray in excellent condition which can find its use as a flower receptacle. Large decorative piece which can find a very nice place in the middle of a table or a chest of drawers Untouched piece with its patina of use and origin. Possibility of sending in France and around the world by secure and insured package with order tracking. Invoice and certificate provided.
