Description

Beautiful pair of candlesticks, mid-19th century fireplace fittings, Parisian in five-branched gilded regula and finely painted bright blue porcelain implication. They are very much in the spirit of Napoleon III and of good quality, bright with their decor and beautiful proportions, a beautiful use for a festive table, or in reserve on the fireplace as a decoration of perfect symmetry, these good quality pieces were the useful elements of the living room before the electricity fairy appeared, rich and with strong decorative power these decorative elements have their role to play in a classic and accomplished decor, two pretty pieces ready to use
