Description

These stools were made in the 1940s, they were probably brought back from Morocco or Algeria. They are chic and have a beautiful patina. The stools are stable, well made. You have to accept the defects due to age. We point out that the leather on the top is damaged, especially on one of the stools with a small lack. However, they remain very decorative. We will not deliver by post for this type of item that is too bulky, but we work with carriers, please contact us for a quote. Sold as is. For the condition, please detail the photos. The photos are an integral part of the description. Dimensions: Height: 46 cm Width: 27 cm Depth: 27 cm L8343
