Beautiful oil painting on panel depicting Christ.
The work is very old, as evidenced by its fine network of craquelure.
We date this piece to the 17th century.

A cartouche attributes the painting to the Titian School.

It is sold in its original condition.

Some small losses and lifting are to be noted, but they do not detract from the beauty of the painting.

Additionally, the panel is split and reinforced at the back with a more recent panel.

The work is sold with a modern frame.
