

Religiosa Crucifix Large Christ In Finely Carved Oak 18th Century

1 400 EUR

Period : 18th century

Condition : Bon état

Material : Oak

Description

Large carved oak Christ from the 18th century, energetic and expressive sculpture, they are called anatomical because of their sense of detail, the smallest muscle and tendon are represented!

Magnificent glossy patina, reddish brown, very good condition, note the unusual assembly of the arms with a kind of dovetail tab. Total height 70 cm, width 48.5 cm.
