Description

garden furniture in concrete or similar material (whiter than concrete) covered with small terracotta-colored mosaics composed of a table with a twisted central leg and 4 stools of the same model. Work from the 70s/80s with a beautiful patina of time although this set remained sheltered in a veranda for a long time. Some logical traces of time, the main one being a slight old lack on a stool (see photo). the set is robust and very heavy. The table top is placed on its foot.
