

Pair Of Cream Earthenware Plates From Creil And Montereau From The Mid-19th Century

140 EUR

Signature : Creil et Montereau

Period : 19th century

Condition : Parfait état

Material : Earthenware

Diameter : 21.5 cm assiette

Description

A scalloped and double openwork border suggesting a basket of wickerwork, this is how this superb pair from the middle of the 19th century from Creil and Montereau is presented, a very unusual model and whose two plates here are impeccable.
