than a piece of furniture; it is a statement. It finds its place as much in a modern interior in search of authentic pieces as in a country house where it blends harmoniously into a warm and welcoming atmosphere. Imagine it near a fireplace, in a reading corner bathed in natural light or accompanied by a linen cushion that will highlight its raw and timeless character. A treatment has been applied to clean it. It has suffered the harshness of time and it has a very slight play, but it can be used perfectly. Proposed price: EUR300, an amount reflecting the rarity and artisanal character of this armchair while remaining affordable. This price is an opportunity for lovers of antique furniture and design steeped in history. Come and discover this unique piece and let yourself be seduced by its authenticity.
