Description

Pretty satin prom or wedding clutch from the 40s/50s, embroidered with numerous pearly celluloid sequins and metallic glass beads forming a floral pattern. Gusseted interior offering two small side pockets and a small removable pouch. A few stains inside and on the gussets, about ten sequins are missing on a border of the back, but this remains very little visible, and the whole is in very good used condition. This clutch is still quite usable, without notable fragility. Dimensions (closed) = 19 x 12 cm, thickness 3 cm. The gussets allow an interior depth of more than 5 cm. Weight = 153 grams. Very careful shipping in addition.
