### Description

Beautiful pair of oil paintings on canvas, mounted on panel and framed in ebonized and gilded wood. The pictorial technique used favors chiaroscuro, with the representation of a vase with various types of flowers in the centre. These paintings, the work of an anonymous Tuscan painter, are inspired by the style of Andrea Scacciati, a well-known Florentine painter active between the end of the 17th and the beginning of the 18th century and specialized in still lifes with flowers. The small dimensions of these works make them perfect for tastefully decorating any environment.

Measurements: H x W x D overall 40.5 x 36.5 x 3cm; H x W works only 25 x 20.5cm
