- Oil on canvas. - Establishing conceptual relationships between vision, image, gaze and other similar terms, Vara expresses himself in an abstract expressionism whose language he dominates to compose a landscape of visual metaphors clearly framed in the indecipherable crossroads of Spanish painting of the early 1900s. A strongly intellectual work, but with a perfumed chromatism. - Dimensions of the image without frame: 81 x 100 cm with elegant silver aluminum edge. - It comes from a private collection of paintings in Barcelona.
