Description

Old Parisian bar counter dating from the 1940s. Copper worktop with 4-spout tap + water tap + glass rinser

Very good potential.

The wooden structure needs to be redone because it is too damaged, but I am deliberately leaving the whole thing as it is because it would be a shame to undertake a restoration that is not suitable for its future use.

Can also be used as a theatre or cinema set. Item on deposit/sale
