### Description

If your New Year's resolutions have as their primary objective to get back into sport, we cannot recommend this old-fashioned gym furniture highly enough! Robust oak frame and legs, brown leather upholstery patinated by use, this bench not only has the advantage of supporting you during exercise, but if by chance you give up on this resolution taken a little too quickly, it would immediately transform into an aesthetic support. Offering itself as a remarkable vintage and curiosity piece, it would draw attention to your fine mind in the absence of a body that would match it.

This bench is in very good condition. Its significant weight will require serious delivery.
