Description

Italian bedroom valley, Fratelli Regutti.
Magnificent night valley signed by the famous Italian house Fratelli Regutti, designed in the spirit of the timeless design of Ico and Luisa Parisi. Made of mahogany wood, this piece combines refinement and ingenuity with its integrated trouser steaming system. Its pocket emptier, perfectly stable thanks to a wide base, and its small discreet wheels for easy movement, make it an object that is both functional and elegant. The brand's silver stamp, subtly engraved on the wood, adds a final touch of distinction.
