Praying Couple In Walnut Carved In The Round, 18th Century

1 300 EUR

Period : 18th century

Condition : Bon état

Material : Wallnut

Height : 40

Description

Couple of wooden figures carved in the round from the 18th century. The wood used is lime. They are kneeling in an attitude of meditation, many details in the drapery of the clothes. The round is a 3-dimensional sculpture technique, so the characters can be observed from any angle. Dimensions: Woman: 40 cm high x 12.5 cm long x 17 cm wide Man: 41 cm high x 20 cm long x 9 cm wide
