

Genre Painting On Wood

450 EUR

Signature : Paul Recurt

Period : 20th century

Condition : Très bon état

Material : Oil painting on wood

Description

Full of charm for this portrait of the Pyrenees and his dog Labrit. Evocative of the Basque country or Béarn. Treated like a snapshot, very nice rendering. Painting on wood, because material easy to take outside without fear of being damaged. This panel had already been used, so its back offers a landscape, quite well treated otherwise.
