Description

Charming Louis XV Rocaille style cabriolet armchair in solid walnut, from the end of the 19th century, early 1900. This amusing seat rests on four arched legs finished with snail-shaped scrolls. The belt crosspiece is richly carved and decorated with a beautiful asymmetrical rocaille motif. The shield-shaped backrest is also richly carved with a second asymmetrical and openwork motif. The upholstery is in very good condition, it is firm and very comfortable, the covering fabric is an old gold-colored velvet, the whole having been redone a few years ago. Note, a small, barely visible and harmless stain, the fabric is slightly sunned without gravity. Dimensions: height at the backrest 93 cm width 65 cm depth 62 cm Shipping costs contact us
