

Pair Of 19th Century Boulle Marquetry Columns

11 000 EUR

Period : 19th century

Condition : Bon état

Material : Marquetry

Description

This elegant pair of 19th century columns, 110 cm high, are made of wood decorated with sumptuous Boulle-style marquetry, combining tortoiseshell, silver and gold inlays. Each column is enhanced with finely chiseled bronze mounts, adding a touch of prestige and refinement. Perfect for displaying sculptures, vases or other objects of art, these columns are a timeless testament to the craftsmanship and luxury of the period.
