

18th Century Gilded Wood Candlestick

750 EUR

Period : 18th century

Condition : Etat d'usage

Material : Gilded wood

Width : 32 cm

Height : 137 cm

Description

Spectacular candlestick (Height: 137 cm) in gilded wood in the L XV style, resting on 3 volute-shaped feet. It has kept its gilding with accidents: the wood has "worked" and cracked the gilding, hence the chips and losses to the gilding visible in the photos. XVIII period
Delivery at the buyer's expense.
