well in the spirit of the painters of the Barbison School at the time at which they were made; his brother no less interesting and which takes up all the codes that I will not list also represents a countryside landscape on the edge of a river where in a luminous path of a clear nature a woman walks coming towards us, a basket in her arm hills appear on the horizon of this beautiful summer afternoon with evaporating clouds in a soft light of good weather ... In short these two very decorative paintings are pleasant of a beautiful known signature Emile Godchaux (1860-1926) both signed lower left
