

## Polychrome Earthenware Fireplace Trim With Violets Decor, Fives - Lille

200 EUR

Signature : Gustave de BRUYN

Period : 19th century

Condition : Bon état

Material : Earthenware

### Description

A set of polychrome earthenware fireplace surrounds comprising two vases and a jardinière. This refined decoration features a delicate pattern of hand-painted violets, with pastel shades of pink and blue shading, enhancing their elegance. The sculptural forms of the feet and handles add a touch of sophistication to this set. Inscribed below "DB", corresponding to Gustave de Bruyn, founder of the Fives earthenware factory in Lille, located in the industrial suburb of the city. This set is a fine example of the art of earthenware from the late 19th or early 20th century, testifying to the finesse and craftsmanship of the period.
