Description

Exceptional and Rare Symphonion Music Box. This stunning and highly rare Symphonion music box is a true masterpiece, famously known as the "Symphonion Eroica". Its unique mechanism plays three discs simultaneously, combining to form one harmonious melody. The system features three synchronized mechanisms of the Symphonion with a disc diameter of 34 cm. A major advantage of this design is its expansive keyboard of 300 notes, delivering an exceptionally rich and refined sound. Powered by two robust motors, the mechanism operates reliably, providing a remarkable listening experience. The included photographs form an integral part of the description and condition report. A rare opportunity for collectors and enthusiasts of mechanical music. 11 sets of discs
